We are happy to launch our Yatra Art and Culture Foundation Newsletter. Through this, we take immense pleasure in sharing our activities every month. In the month of May 2022, we conducted various Art classes and summer camps for the children.
VIDEO SHOW FOR CHILDREN

A movie was screened at Yatra for the children after which they gave their feedback about the film. They enjoyed watching the film together.

CLAY WORK CLASS

The children created beautiful clay sculptures with their own hands. This not only made them happy, but also boosted their self esteem and gave a feeling of accomplishment.

DRAMA CLASS

Theatre exercises were conducted by our Director Yatra Srinivassan during the drama classes at Yatra. The children expressed their unique imagination through acting while building confidence and creative thinking.
Disability is never a barrier to talent and creativity. Satya Special School and Yatra Art & Culture Foundation collaborated together to discover the hidden talents of children with disabilities through a four day inclusive summer camp. Here is the fruitful result accomplished by the children.

Day 1

The last two days of summer camp held at Yatra. They enjoyed the theatre exercises, painting, crafts, and parai music. They had a memorable summer camp.

Day 2

Yatra children went to Satya special school on first two days. They had drama, painting and music sessions together.
PAINTING CLASS

Drawing is a platform to express ideas and creativity without words. Yatra children had a drawing class every afternoon this month. They learnt and experienced the art of drawing and made their summer vacation useful.

CRAFT CLASS

Children during craft class make beautiful crafts. They explore ways of creating the craft of their imagination.

YATRA KALAIYARANGAM

Yatra team spent some beautiful moments during a kalaiyarangam session at Yatra with an inspiring movie titled “Sila Nerangalil Sila Manithargal”. We were all moved by the movie and we shared our thoughts at the end.
DANCE CLASS

Classical Bharatanatyam Dance classes are conducted every Sunday 9.30 to 11.30 am at Yatra. About 20 students attended and learned passionately. We wish them all the best for their future endeavours.
